Brockhill Court, Brockhill Lane, Redditch, Worcestershire, B97 6RB, UK

Introduction

Righttrack has programmes in a wealth of diverse subjects including this fast paced presentation skills programme, which delivers a basic toolkit to facilitate designing and delivering a presentation.

It includes coaching on the techniques and skills to deliver a message clearly to all sections of an audience with confidence, to manage nerves and to deal with questions at the end.

Main Features

- Delegates are provided with the opportunity to practice a short presentation and receive feedback
- Techniques for designing and building dynamic presentations
- Planning your presentation to meet the needs of the audience
- To How to avoid the common pitfalls
- Using presentation aids
- Coaching and support as you practice
- Managing stage-fright and nerves
- Personal action planning

Key Benefits

- Improved communication and clearer messages
- More productive sales and marketing opportunities
- Less time wasted repairing mixed messages
- Reduction in conflict caused by misunderstanding or misinterpretation
- Increased personal confidence

Further Detail

- Techniques to design and build dynamic presentations with logically ordered objectives
- How to construct clear, powerful and influential introductions
- Concluding your presentation, so that you can be sure to make a lasting impression
- Avoiding the common pitfalls that can ruin a good presentation
- Ensure that important points are included in the building of your presentation
- Anticipating the differing needs and concerns of everyone in the audience
- Methods of making each point convincing
- Getting your audience really buy-in to what you are saying
- Approaches to design and using powerful presentation aid
- Making sure that your audience receives you positively
- How to deal with 'stage fright' and nerves, so that they work for you rather than against you
